**Dear Roxane Simenlung**

We are pleased to inform you that your paper #89368 "Effects of Zanthoxylum armstrongii on MMP-9 and GLUT-1 expression and histology changes in rats with cervical carcinoma" was published in Pharmacia, doi: 10.3897/pharmacia.69.89368. Thank you for choosing Pharmacia as a publication venue for your work!

We suggest that you help us increase the visibility of your study and thereby boost its citations and impact by sharing it on social media (i.e. Twitter, Facebook, Mendeley etc.). Ideally using both your own and your institution's channels. Information and suggestions on how to promote your work to the international scientific audience and wider public can be found on our [website](#).

You may also order high-quality full-color reprints of your article through our [order form](#).

To keep yourself updated about research published in your scientific field, you can set up email alerts for Pharmacia via this [link](#) or through your user profile. You can change the research topics, journals or frequency of these email alerts anytime.
